

Hogg Construction

Hunt Valley Church Hunt Valley, MD

Project Highlights

- New 15,210 SF church facility
- True multi-purpose also serves as the worship area
- Expandable “modules” allow for future growth
- Effective value engineering - saved \$400,000

“I want to express for our whole church our deep appreciation for all you did to help us in so many ways during this project. You went out of your way many times to help make this a satisfying, as well as successful adventure for all of us.”

-Frank Boswell, Sr. Pastor
