

Hogg Construction

St. Peter's Evangelical Lutheran Church

Middletown, PA

"Hogg did not forget the families and community that would use this facility as they made sure that every last item on the final punch list was completed to the owner's satisfaction as if it were their own home."

- Steven R. Fry AIA, NCARB
Project Architect
Harkness Fry Architecture Planning

Project Highlights

- Renovations plus 15,550 sq. ft. addition matching the current Gothic design
- Used existing stained glass windows in new to combine old and new
- Church was able to maintain all activities without interruptions even during demolition of three structures
- Prayer garden and connecting corridor unites old and new facilities
