

Hogg Construction

W.D. Class & Son, Inc. Jessup, MD

"Just a note of thanks to your company and a special thanks to your people ... They did a great job and were very professional at all times. They always kept us up to date on the project and made sure the work site was kept clean and safe."

-Gary Elser, Operations Manager, Class Produce Group

Project Highlights

- New 38,000 square foot, second-story office mezzanine created over a completely operational produce-processing facility.
- During construction, operations successfully continued in the facility 24 hours per day, 7 days per week.
- This included renovation of loading doors while in use.
