

"Working with Hogg Construction at our Meadows Marketplace project proved to be a team effort as we were challenged by site and utility problems early in the project that could have stalled construction. Hogg's team stepped up and worked through and around the limitations of the site and delivered a stellar finished product, on time."

- Dale Pears, Cedar Shopping Centers

Project Highlights

- Newly constructed 92,000 square foot shopping center, consisting of 20,000 square feet of retail space, anchored by a 71,000 square foot Giant Supermarket
- Retail areas are constructed of structural steel, bar joists and decking with masonry walls to complete the exterior. Successfully completed all ten tenant fit-outs.
